**“Team TDMF” (i.e. Tom Darby* &
Mark Frye)
“RIDE FOR THE CURE”**

We wish to thank all the generous '71 Hornets
for their donations to our **2021** 150 mile
Velosano's* ["RIDE FOR THE CURE"](#).

With your help we raised \$5,600 last year!
Every penny of which was awarded directly
towards cancer research.

And another BIG thank you to those donated to the \$4K that has been raised
thus far for this year's RFTC effort. If you would like to make a tax deductible
donation there is still plenty of time to do so before the 10/1/22 deadline date.
(see link below)

Thanks again to the HHS Class of
'71 for your continued support.
You guys rock!

**No gift is too small.
Every dollar counts toward finding a cure.**

*Tom is a prostate cancer survivor. If you, or someone you know, is dealing with the issue and would like to hear about how I navigated the concern please don't hesitate to reach out to me. Shoot me an email @ twdarby@gmail.com and I'll be glad to share my knowledge and experience.

** VeloSano is a year-round fundraising initiative to support lifesaving cancer research at Cleveland Clinic. Their flagship fundraising event is "Bike to Cure" which traditionally includes thousands of participants nationwide committed to raise funds. Of which 100% are awarded directly to research by spring of the following year. Since 2014, nearly \$30 million is already hard at work in the fight against cancer.
