Class News

1. Well the books are now closed on Tom and Mark's 3rd Annual Velosano* "Ride For The Cure". Thanks largely in part to us, Team TDMF, once again, exceeded all of their expectations and reached an all-time high in annual donations. In fact Velosano has entered Team TDMF into their exclusive "Big Wheelers" club**. Mark & Tom **THANK** the class profusely for our generous donations to the cause. But we all know that in the end that we get back more than we give for such causes. We're sure everyone reading this has a loved one that is a cancer survivor thanks to the strides made over the years.

In their 1st Annual Ride in 2021 Mark & Tom raised \$5,600, 100% of which went to help fund cancer research at the Cleveland Clinic. During their 2nd annual ride they raised \$6,755 for the cause. And this year they reached a new benchmark of \$7,790! Thanks to their efforts Team TDMF has been able to help raise **over \$20,000** over the course of their 3 years of doing the ride. Congratulations gentleman!

You make the whole class proud!

Mark, we know that you dedicated this year's ride to your cousin, David, HHS'69, who passed in July of this year from lung cancer. And Tom as a 3 year prostate cancer survivor your motivations are no secret either. Kudos to both of you gentlemen for taking on this challenge.

*Thanks to VeloSano \$14 million was raised this year and a total of **\$51 million** has been raised since 2014 - with 100% of the funds going directly to support over 220 cancer research projects at the Cleveland Clinic.

** Out of the thousands of teams that participated in this year's "Ride for the Cure" only 525 of them exceeded their goals. As such those teams are dubbed as "Big Wheelers" by Velosano.

2. Although it's seems improbable to many of us it's business as usual for Bruce (Hause) to continue his distance running feats. Last weekend he placed 2nd place in our age category in a half marathon run. Although some say that he does it for the free massages at the end of the race Bruce denies that is a motivation. To that point here is some video evidence of him kinda smiling through the pain while being attended to by 5 people at the massage tent at the end of last Sunday's run. But as you can see from these pics that he was smiling and posing for a couple of celebratory pics shortly thereafter as well.

Way2Go Bruce!

4. We try and put out this class news update weekly during HHS's football season. We plan to continue to do so until we go all the way to state or get knocked out somewhere along the way. Additional updates will be sent out after the season ends if/when news items come across our desk that might be of interest to the class.
5. Have news/updates/events that some/all of us might be interested in? Let us know @ hickoryhs71@gmail.com. In fact if you want, just write the item or article and send it to us for inclusion in one of the upcoming updates.

Football

The Hornets had a great D10 AAA semifinal 38-7 **W** against the 2-time defending D10 champ, the Grove City Eagles, last Friday night. Both side of our lines were firing on all cylinders. QB Zander Telesz alone threw, ran, and returned an interception for touchdowns. Click [here](#) to read the Herald's write up on the game.

We travel tomorrow night (i.e. Friday 11/17) to Farrell's Lou Falconi Field to take on the Sharon High Tigers in D10 3A Championship game. Kickoff is at 7pm.

GO HORNETS!

Barring any technical issues Joanow Legal Group will be streaming the games live at no charge to the viewer. Click [here](#) a few minutes before kickoff to start the broadcast.

Sports Radio 96.7 reportedly will also be doing an audio/video broadcast of the game via their [Facebook page](#).
