Hornets,

Sorry to inform that one of our 8th grade History teachers and the high school's Cross Country coach, Paul Sanders passed away Wednesday. As was noted in a recent email to the class, his peers had inducted Coach into the [Mercer County Hall of Fame](#). The induction ceremony was held last Saturday. He was beloved by many that had him as a teacher or a coach. He was one of the great ones who had a passion for the job. Click [here](#) for more information regarding arrangements.

RIP Mr. Sanders
