

Hickory High School – Class of '71 - 50th Reunion – July 7-9, 2022

How You Can Help.

Many of you have said “let me know” if I can help in regards to the reunion. At this point the overall planning is pretty much done. However, your reunion committee has been rolling the dice on receiving enough donations to help underwrite the reunion costs not covered by the reservation fee. Needless to say, nothing is getting cheaper but we’re committed to holding the price to attend the Buhl Park event, HornetPalooza at Thelma’s and the dinner as low as possible.

To those of you who have already made a donation a big *THANK YOU*. Your generosity is greatly appreciated and has allowed the committee a little breathing room in making financial commitments related to the upcoming reunion. For those who haven’t already made a donation but have the willingness and the wherewithal to do so, any contribution is greatly appreciated.

As noted on the reverse side we’ve created a range of sponsorship levels – from \$1-\$29 and upwards to that there are levels at which most of us can contribute. For those that have the means and are feeling generous, higher levels of sponsorship are appreciated. Please be assured that all funds go to cover costs of mailings and keeping the cost of the reunion itself as low as possible. In the event that we schedule a next reunion any excess funds will be carried over for that use. Otherwise, excess funds would be donated to the high school or some worthy charity as determined by the class in the class’s name. If you can help in this regard please complete and return the form below along with your “Reservation Form”.
